

## 12 Heart Tree Of Life - Name Placement Guide:

“Let the Designer Decide for You” Name Placement option: We will evenly space the hearts out randomly.

When selecting the name placement option of: “In Numbered Places I Have Chosen” we will use the numbers that you select.

We have included an indication of how the 12 heart tree of life will appear when completed using the names on the right.

Please print page 2 and it will assist you with the placement of your names on your tree.

If you fill in only 5 spaces on the name placement screen your design will only have those hearts included. If you would like an empty heart included on the design simply put ‘empty heart’ in the corresponding spot.

We can also provide you with a proof if you would like one. Just let us know when placing your order. Please note that this may cause a slight delay in the processing of your order.

If you need assistance you can also contact us at [admin@hotcutdxf.com](mailto:admin@hotcutdxf.com) and we are happy to give you a call back and assist you with your order or we can take it over the phone if you would prefer.
